30 MAY 1973

MEMORANDUM FOR: Acting Executive Officer, DD/S&T
SUBJECT: MAG-like Groups

Following MAG-like groups function in the Office of ELINT:

OEL JUNIOR ADVISORY PANEL

The JAP is a group of eight OEL careerists in grades GS-11 to GS-13 who meet on a monthly basis and make recommendations to the OEL Career Service Panel on all actions involving the promotion, assignment/reassignment, training, etc. of all careerists GS-10 and below. The JAP also undertakes studies or initiates proposals on personnel management of junior level careerists in OEL.

OEL PROGRAM REVIEW BOARD

The Program Review Board (PRB) consisting of the Director, Deputy Director, and OEL Division Chiefs meets weekly for the purpose of providing a means for the Director/OEL to review various aspects of the Office program and to review/approve proposed research and development projects, expenditures related to equipment purchases, and to otherwise examine all/any part of both programmed and unprogrammed objectives.
